REACH FOR THE STARS

SPRINGDALE PREPARATORY

Dear Sponsor

We hope that you will join us as a sponsor for a very special event:

The Inaugural

SPRINGDALE PREPARATORY SCHOOL REACH FOR THE STARS GALA
FRIDAY, MAY 4, 2018 | SEIBEL FARM, NEW WINDSOR

Springdale Preparatory School will welcome business leaders, political leaders, community members, and prospective and current families to celebrate and raise funds for the area's newest and most unique independent school program.

Proceeds from the gala will benefit the Springdale Preparatory Supporting Potential Scholars Fund (SPSF) in partnership with the Carroll Community Foundation. The scholars fund helps avail students to incredible growth opportunities, enables Springdale Preparatory School to maintain a socioeconomically diverse student population which benefits the school culture, and supports off-campus learning experiences while connecting them to global peers and instructors. Similar to our nation's independent school community, most students who attend Springdale receive significant financial aid. As a result, these students will bring their talents and resources back to our home community in future decades as professionals and innovators making a significant impact in their careers. Your gift to our Supporting Potential Scholars Fund will impact the quality of life in Carroll County for many years!

The Reach for the Stars Gala will include delicious fare from Springdale Preparatory School culinary staff; beer, wine and soft drinks; a silent auction; and an exciting program and entertainment.

We hope you will consider a gala sponsorship to support Springdale Preparatory Supporting Potential Scholars Fund. All sponsors will be appropriately recognized on prominently displayed signage, the SPS website, social media, and the program book.

Springdale Preparatory School is a co-educational, boarding and day school located on 21 acres in northern Maryland's rolling countryside. A college preparatory school with a diverse student population from Maryland counties, other states across the country, and from all over the world, Springdale offers rigorous academics while equipping all learners with the tools needed to meet all of life's challenges.

Springdale Preparatory School's rigorous curriculum prepares students for success in meeting the demands of the world today. They are prepared to be engineers, mathematicians, poets, scientists, actors, computer scientists, and artisans. No matter the field they ultimately choose, their Springdale Preparatory education will prepare them for the challenges ahead as professionals, leaders, and global citizens.

Thank you for your consideration of our sponsorship opportunities. We also welcome donations for the event silent auction. We look forward to working with our sponsors and building relationships that can continue well into the future. Please contact me directly with any questions. Thank you for your time, consideration, and support.

Sincerely,

JOHNNY GRAHAM
