## Springdale Preparatory School Announces Carry Out Community Dinners

NEW WINDSOR, MD (May 30, 2018) – Springdale Preparatory School officials are happy to announce the launch of the SPS Carry Out Community Dinners program beginning this fall. At Springdale Preparatory School, Chef Dave Luscher creates school meals based on the belief that the food program does more than just nourish the body, it nourishes the soul. Chef Dave provides innovative, creative meals each day using the freshest local ingredients and sustainable practices to create a dining experience for every guest. With the new Community Dinners Program, this experience will be available to Springdale Preparatory School families and extended to the New Windsor community.

Those wishing to place an order will choose from the day's scheduled dinner meal or a selection of pizzas, created by Chef Dave. Orders and pickup time must be scheduled by 3 p.m. on the desired day of pickup. Orders will be placed by clicking on the link: <https://springdaleps.org/carry-out/>.

Food service questions and special requests should be directed to Chef Dave Luscher at 443-671-0074 or [dave.luscher@springdaleps.org](mailto:dave.luscher@springdaleps.org).

### **About Springdale Preparatory School**

Springdale Preparatory School is a new, co-educational boarding and day school located on 21 acres in northern Maryland's rolling countryside. A college preparatory school with a diverse student population from Maryland counties, other states across the country and from all over the world, Springdale Prep offers rigorous academics while equipping all learners with the tools needed to meet all of life's challenges. Springdale prepares students for enduring success beginning with a foundation of respect for other students, faculty, and the world around them. Students develop strong relationships with each other and with faculty, who help to shape them to become tomorrow's leaders. Whether in the classroom, in the dormitory, or on the athletic fields, students experience learning through innovation and develop the skills needed to embrace lifelong learning and make a difference.
